

PD. POL. AD BY TRACY KING FOR STATE REPRESENTATIVE

THE LITTLE GIRL WITH BIG DREAMS

THERE'S AN OLD SPANISH DICHO THAT SAYS:

Dime con quien andas, y te dire quien eres.

Tell me who you walk with and I'll tell who you are. So I think you should know I walk with ...

the teachers, doctors and law enforcement officers who serve our community...

the seniors who built this country and deserve our respect...

the single mom struggling to make ends meet...

the farmers, ranchers and roughnecks working hard under the hot sun ...

the small business owner who's helping create jobs...

and the veterans who sacrifice so much so we can live free.

So that's who I walk with.

AND I'M PROUD TO DO IT.

THE ABUELITA WHO DESERVES SAFETY AND SECURITY

THE PARENTS WORKING SO HARD TO MAKE IT ALL COME TRUE

TEXAS STATE REPRESENTATIVE

**TRIED
AND
TRUE**

ALL OF US CAN COUNT ON TRACY KING.

A TRUSTED, EXPERIENCED LEADER

During his 16 years in office, our State Representative, Tracy King, has become an effective and respected leader in Austin.

That's important. Rookies can't get much done at the Capitol, but experienced leaders, like King, are the ones who can make things happen for their districts.

FIGHTING FOR OUR PUBLIC SCHOOLS

Last year, Tracy King and all the other Democrats strongly opposed reckless budget cuts that are now forcing massive teacher layoffs and class size increases.

And King hasn't given up the fight. Instead of taking our schools apart, he wants to get rid of standardized tests and state red tape that take money from the classroom.

Even better, King's plan would free up teachers to spend more time with each child.

NUESTRA VOZ EN AUSTIN

Tracy King understands the needs of those of us who live on the Border and in South Texas.

That's why King is working hard to protect senior citizens' access to health care and quality nursing home care.

That's why he passed laws that protect our local water supplies and support agriculture.

“LES PIDO SU VOTO”

“In our part of Texas, the culture and the people are special. People from other places often don't understand us.

“It's my job to bridge the gap and speak for you in Austin.”

“I've worked hard to make sure your voice is heard and truly considered. I hope you give me the honor of continuing to work and fight for you.”
